

The Queenslander Pictorial.

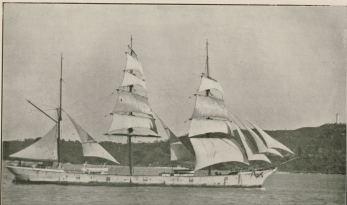

Engineers on the
beach front at
Salonica reassem-
bling the fragments
of Zeppelin L. 65
after they had been
extricated from
the mud of the
Vorder marshes.
This airship was
brought down by
British naval gun-
ners while it was
attempting a raid.

issued by the
Press Bureau)

A SLAIN ZEPPELIN'S CROWNING INFORTUNITY.

Photo. supplied by the Central Press.

ENTERING MORETON BAY.

This photograph was taken in 1916, but it might be a record of 1866, when immigrant ships came in almost weekly.

The launch of the flying ground.

The boys catch.

Another good record.

Four little ones.

A rustic bridge made of drift-wood.

Another bridge with a mountain in the background.

Traveling on the island mountains.

A mountain track.

A person and some of the trees.

A river village.

A mountain waterfall.
